

## Our Vision

### At Lockwood Primary School we aim to be:

A school that offers an engaging and irresistible invitation to learning; A school where the learning journey is an adventure into imagination and creativity; A school where all children make outstanding progress; A school that sets no limits on learning; A school which ignites a life-long passion for learning.

## Our Mission

- Children, staff, parents, Governors and the school community work actively in partnership to ensure all children reach their full potential.
- We aspire for our children to become confident, secure, caring individuals who achieve personal success, 'reaching for the stars'.
- We want every child to be safe and happy in our school, demonstrating self-respect, respect for others and respect for property and the environment.
- To provide a warm, welcoming and secure environment where children can excel.
- To provide a personalized, balanced & relevant curriculum of excellence reflecting the voice of the pupils and the school community.
- To recognize and celebrate the success of everyone.
- To foster a sense of belonging to a whole school community based upon tolerance, understanding and respect for themselves and others.
- For the voice, views and contributions of every child to be valued and encouraged.

## Our Strategy:

- To plan, implement and evaluate short, medium and long-term goals which ensure that:
- All pupils make good or outstanding progress.
- All teaching is good or outstanding through quality first teaching underpinned by effective assessment for learning and target setting.
- Behavior in school is outstanding and that all pupils feel safe and valued.
- Leadership and management of the school, including governors, work together to build a team that is sharply focused on achieving high standards for all pupils within a motivating and innovative learning environment.

## Our Behaviours

We aim to behave in a way which:

Creates a safe, fun and challenging learning environment

Values diversity and promotes tolerance and equality.

Provide development opportunities for all.

Models and encourages Care, Courtesy and Co-operation for all.

## Our Core Values:

**Care:** we care for our environment, ourselves and others.

**Courtesy:** We are courteous and respectful in the way we speak with and act towards each other.

**Co-operation:** we work together and support each other
